WOVEN FABRIC SPECIFICATIONS

WEAVE: Plain

CONTENTS: Polyester

COLOR FASTNESS: Grade 4-5

FLAMMABILITY: CA117 pass

NRC RATING: 0.10

MAINTENANCE: Vacuum with an upholstery attachment. Spot clean using a damp, non-abrasive cloth and mild water-based soap, taking care not to oversaturate. Allow to air dry and always test cleaners in an inconspicuous area first.

Screenflex uses 100% recycled or compostable materials created through sustainable manufacturing processes.
